Traces the life of the first black Major League baseball player of the modern era, detailing his childhood, his career as an MVP-award winning baseball player, and a hero of the Civil Rights Movement.

Original.

A warm, intimate portrait of Jackie Robinson, America's sports icon, told from the unique perspective of a unique insider: his only daughter. Sharon Robinson shares memories of her famous father in this warm loving biography of the man who broke the color barrier in baseball. Jackie Robinson was an outstanding athlete, a devoted family man and a dedicated civil rights activist. The author explores the fascinating circumstances surrounding Jackie Robinson's breakthrough. She also tells the off-the-field story of Robinson's hard-won victories and the inspiring effect he had on his family, his community. . . his country! Includes never-before-published letters by Jackie Robinson, as well as photos from the Robinson family archives.

A Black History Month-timed entry in the best-selling series follows the heroic story of baseball star Jackie Robinson, describing, in text and comic thought bubbles, his childhood, early ambitions and barrier-breaking achievements. By the best-selling author of Heroes for My Son.

Traces the life of the first black Major League baseball player of the modern era, detailing his childhood, his career as an MVP-award winning baseball player, and a hero of the civil rights movement.

The bestselling autobiography of American baseball and civil rights legend Jackie Robinson Before Barry Bonds, before Reggie Jackson, before Hank Aaron, baseball's stars had one undeniable trait in common: they were all white. In 1947, Jackie Robinson broke that barrier, striking a crucial blow for racial equality and changing the world of sports forever. I Never Had It Made is Robinson's own candid, hard-hitting account of what it took to become the first black man in history to play in the major leagues. I Never Had It Made recalls Robinson's early years and influences: his time at UCLA, where he became the school's first four-letter athlete; his army stint during World War II, when he challenged Jim Crow laws and narrowly escaped court martial; his years of frustration, on and off the field, with the Negro Leagues; and finally that fateful day when Branch Rickey of the Brooklyn Dodgers proposed what became known as the "Noble Experiment"—Robinson would step up to bat to integrate and revolutionize baseball. More than a baseball story, I Never Had It Made also reveals the highs and lows of Robinson's life after baseball. He recounts his political aspirations and civil rights activism; his friendships with Martin Luther King, Jr., Malcolm X, William Buckley, Jr., and Nelson Rockefeller; and his troubled relationship with his son, Jackie, Jr. I Never Had It Made endures as an inspiring story of a man whose heroism extended well beyond the playing field.

A brief biography of the man who was the first African American baseball player on a major league team, as well as the first African American elected to the Baseball Hall of Fame.

An oral history of baseball and racial integration, as told by its greatest players to the man who broke the color line, Jackie Robinson.

Presents the life and accomplishments of the baseball player who became the first African American to play in the major leagues and who led the Brooklyn Dodgers to six National League pennants and one World Series championship.

Offers a history of African American exclusion from baseball, and assesses the changing racial attitudes that led up to Jackie Robinson's acceptance by the Brooklyn Dodgers

Constantly losing every game he plays with his older brother, Mack, a young Jackie Robinson is ready to give up on sports altogether, but when he is invited by Mack to play a game of baseball, young Jackie finds his calling in life and grows to become a world famous and celebrated baseball legend. Simultaneous.
