Another one of Pastor Joel Osteen's jokes discusses a parrot who attempts to warn a burglar that Jesus is watching him as he steals from a home. The burglar asks the parrot who he is, and the bird responds that his name is Moses. When the burglar asks the parrot what kind of crazy people named him Moses, the parrot tells him that the same kind of people that named him Moses named their 150-pound dog Jesus.

I like the feeling of being a "Light Hearted" person and I hope you do too. I am arguably Joel Osteen's biggest fan and although I feel his messages are far more important to assimilate and comprehend, I also enjoy his short, clean jokes and thought perhaps others might enjoy them too, all put together in one place that you can read in one sitting if you'd like. And if you're like me, you'll enjoy telling them just as much as reading them. Joel states upfront that the jokes are not doctrinally correct...that they're just to make us laugh, so I too want to mention that here. Joel's personality is great-he always has a smile and an inspiring word. If you are a person who feels negative when you think of TV pastors, I encourage you to watch Joel one time and see if you feel the same. I think he will bless you, and thanks to Don for writing this book. By Terri (Scottsburg, Indiana) My husband and I had a very good time reading this book. The jokes are great, and we had some good laughs together. Our favorite joke was the one with Satan himself turning up for a Sunday morning church service. We found it in the chapter: "Miscellaneous." Highly recommended! By Lis S.

Broadway and Hollywood successes—A Streetcar Named Desire, Death of a Salesman, On the Waterfront, to name a few—is a testament to his profound impact on the art of directing. This remarkable book, drawn from his notebooks, letters, interviews, and autobiography, reveals Kazan's method: how he uncovered the “spine,” or core, of each script; how he analyzed each piece in terms of his own experience; and how he determined the specifics of his production. And in the final section, “The Pleasures of Directing”—written during Kazan's final years—he becomes a wise old pro offering advice and insight for budding artists, writers, actors, and directors.
