How to Identify an Evinrude 9.9 Outboard. By Will Charpentier. When you look on the motor mounting bracket of your Evinrude, you find a metallic, embossed tag with the name "Evinrude" prominently featured, along with a variety of information on your motor and finally, the motor's serial number. The serial number tells you if the motor was built for the American market, the horsepower, the options it's supposed to have, the length of the driveshaft in the lower unit and what year it was made.
