Kids Garden Activities are fantastic for getting the kids outdoors especially in Autumn, helping to mark the change of seasons. On a misty morning when the sun is low in the sky and your breath appears as white clouds in the air, just stop and listen. Listen to the birds, the dry grasses rubbing together and the calmness over your world.

*Kids Garden Activities For Autumn. - Growing Healthy Kids*

A spot of gardening with the kids is an ideal activity for a warm autumn afternoon. Late autumn is, in fact, the best time to plant shrubs and trees, including fruit trees. Some of the vegetables you can plant are slightly more unusual, so it is an opportunity for your children to be adventurous with their growing and eating.
