of his series *Optic Nerve* and comprises six stories, almost all of which are superbly written/drawn. I'll get the one story I didn't love out of the way first: *Translated, From the Japanese*, which reads like a prose poem about a memory from long ago being related from a mother to her child.

Killing and Dying: Stories by Adrian Tomine

Adrian Tomine is a master of the small gesture, equally deft at signaling emotion via a subtle change of expression or writ large across landscapes illustrated in full color. *Killing and Dying* is a fraught, realist masterpiece.

Killing And Dying [EBOOK]

Killing and Dying, by Adrian Tomine. Montreal: Drawn & Quarterly, 2015. 128 pages. THE LANDSCAPES in Adrian Tomine's comics are stripped down to their most essential lines, so precisely and elegantly observed as to imply the whole world around them. His characters are drawn with the same meticulous intentionality, but their personalities come off as looser, broader caricatures—these are ...
