Wilksburg schools were once among the highest achieving in Pennsylvania. For more than two decades, however, they have produced woefully undereducated students. Driven by desperation and frustrated with the failure of other less radical reforms aimed at educational improvement, the Wilksburg School Board privatized Turner Elementary School in 1994, dismissing 24 unionized teachers. Privatization of Turner

created the first U.S. public school to be sub-contracted to a private firm and staffed by non-unionized teachers. "No Wind for Their Sails: The Betrayal of America's Urban Youth" tells the story of this community locked in a union stranglehold, and how people catalyzed a history-making revolution -- albeit a Pyrrhic victory -- in order to give children a chance at a better life.

Walking has been the constant in Ailsa Piper's life. Setting down one foot after the other takes her to a transformative and transcendent place. Her bestselling memoir *Sinning Across Spain* was inspired by the tradition of medieval walkers who were paid by others to carry their sins to holy places. The cargo included anger, envy, pride and lust. She hiked alone through the endless olive groves of the Camino MozBrabe, from the legendary southern city of Granada toward the centuries-old pilgrim destination, Santiago de Compostela, in the far north-west of Spain. In dusty pueblos and epic landscapes, miracles found her. Angels in both name and nature eased her path. When faced with the untimely death of her husband, Peter, her 'true north', Ailsa returned to the Camino trail, this time in France, to walk through her sorrow. This second pilgrimage is the story of a walk where the burden is her own grief, not the sins of others, and which ultimately sees her walking into life and hope.

Crammed with comic capers to try out on unsuspecting victims, and side-splitters to share, this ring-binder is a mix of practical pranks and wisecracks. Readers can depress the laughter button on the front for a tide of titters to accompany their tale telling. Three leaves of stickers and two funny photoframes are included. The jokers journal section contains 365 jokes - one for each day of the year and a space to fill with diary dates.

An Incredibly Humorous Coloring book for Kids and Adults!

----- A lost starship... A dire warning from futures past... A desperate search for salvation... ----- Captain Mitchell "Ares" Williams is a Space Marine and the hero of the Battle for Liberty, whose Shot Heard 'Round the Universe saved the planet from a nearly unstoppable war machine. He's handsome, charismatic, and the perfect poster boy to help the military drive enlistment. Pulled from the war and thrown into the spotlight, he's as efficient at charming the media and bedding beautiful celebrities as he was at shooting down enemy starfighters. After an assassination attempt leaves Mitchell critically wounded, he begins to suffer from strange hallucinations that carry a chilling and oddly familiar warning: They are coming. Find the Goliath or humankind will be destroyed. Convinced that the visions are a side-effect of his injuries, he tries to ignore them, only to learn that he may not be as crazy as he thinks. The enemy is real and closer than he imagined, and they'll do whatever it takes to prevent him from rediscovering the centuries lost starship. Narrowly escaping capture, out of time and out of air, Mitchell lands at the mercy of the Riggers - a ragtag crew of former commandos who patrol the lawless outer reaches of the galaxy. Guided by a captain with a reputation for cold-blooded murder, they're dangerous, immoral, and possibly insane. They may also be humanity's last hope for survival in a war that has raged beyond eternity.
