For women's cycle racing, a similar term, Queen of the Mountains is used. While the title may be given to the rider who achieves the highest position over several designated climbs in a single-day road race, it is more usually applied to stage races where points are accumulated over the duration of the whole race. In the Tour de France, at the top

King of the Mountain presents the startling findings of Arnold M. Ludwig's eighteen-year investigation into why people want to rule. The answer may seem obvious - power, privilege, and perks - but any adequate answer also needs to explain why so many rulers cling to power even when they are miserable, trust nobody, feel besieged, and face almost certain death.

"In the Hall of the Mountain King" is a piece of orchestral music composed by Edvard Grieg in 1875 as incidental music for the sixth scene of act 2 in Henrik Ibsen's 1867 play Peer Gynt. It was originally part of Opus 23 but was later extracted as the final piece of Peer Gynt, Suite No. 1, Op. 46. Its easily recognizable theme has helped it attain iconic status in popular culture, where it has been arranged by many artists. The English translation of the name is not literal. Dove is a mountaino
