When it comes to getting the best results, practice really does make perfect! Matched to the requirements of the National Curriculum, this math practice workbook targets every topic in Year 6 and contains practice opportunities to help improve performance in tests and assessments at Key Stage 2. Based on new research that proves repeated practice is more effective than repeated study, practice workbooks are guaranteed to help improve performance in tests and assessments. Included in this book are questions for every topic organized into three levels of increasing difficulty, progress tests throughout the book for ongoing assessment, a section where children can record their results and track their own progress, and a pull-out answer section.

Level: KS2 Subject: Maths Suitable for 2020 SATs Boost children's test-taking confidence by using the realistic SATs-style questions included in this Key Stage 2 Maths SATs Question Book by Collins. Specifically designed to get children ready for the Maths Reasoning SAT (Papers 2 and 3), this book covers all the content and skills that children will be tested on. Regular progress tests are included throughout to check understanding every step of the way. Answers and marking schemes are also provided to ensure children are prepared for success ahead of their SATs. For extra SATs practice, try our KS2 Arithmetic SATs Question Book (9780008201623).
