Why you don't hear from La Toya Jackson anymore

Growing up, La Toya tended to be shy. After her mother became a member of the Jehovah's Witnesses in 1965, La Toya, along with the rest of her siblings followed. She would spend some of her time alongside her mother preaching door-to-door. "Every morning, Michael and I witnessed, knocking on doors around Los Angeles, spreading the word of Jehovah."

La Toya Jackson - Wikipedia

No Relations (1991) is the seventh studio album by American singer La Toya Jackson. The album was released shortly after La Toya's autobiography, La Toya: Growing Up in the Jackson Family, was published. The album was only released in Spain, Colombia, Germany, and The Netherlands, but was imported throughout Europe and the rest of the world.

Reveals how colossal success took a toll on the entire Jackson family, with frank descriptions of bouts with child abuse, domestic violence, and the exploitation of the recording industry

La Toya Jackson was always closer to Michael than anyone knew. In this heartfelt memoir, she pays tribute to his tortured soul, revealing the intimate moments she shared with the deeply troubled pop legend. The first sibling to arrive at the hospital after Michael was rushed there, and the informant on his death certificate, La Toya noticed suspicious details and demanded a second autopsy. For the first time, she unveils shocking behind-the-scenes dealings that she believes led to her brother's death, and she provides unprecedented insight into the destruction of one of the most dynamic artist/performers in

history.

The award-winning musical artist, model and author of the best-selling *La Toya, Growing Up in the Jackson Family* shares intimate details about her family life, reveals secrets that Michael shared with her and discusses her views on the factors that contributed to Michael's death.

The woman who produced the Jackson family mini-series in 1992 recounts her relationship with Jermaine and her life inside the family, detailing the violence and disloyalty she saw

Nearly 1.5 million subscribers on YouTube. Extremely loyal and devoted fan network to LaToya Forever channel. Her gift of connecting with people Her over-the-top persona and style is catching the attention of many Internet users, industry movers and shakers, and most recently, BPMtv."

Now available in a paperback edition, LaToya Ruby Frazier's award-winning first book, *"The Notion of Family,"* offers an incisive exploration of the legacy of racism and economic decline in America's small towns, as embodied by her hometown of Braddock, Pennsylvania. The work also considers the impact of that decline on the community and on her family, creating a statement both personal and truly political an intervention in the histories and narratives of the region. Frazier has compellingly set her story of three generations her Grandma Ruby, her mother, and herself against larger questions of civic belonging and responsibility. The work documents her own struggles and interactions with family and the expectations of community, and includes the documentation of the demise of Braddock's only hospital, reinforcing the idea that the history of a place is frequently written on the body as well as the landscape. With *"The Notion of Family,"* Frazier knowingly acknowledges and expands upon the traditions of classic black-and-white documentary photography, enlisting the participation of her family, and her mother in particular. In the creation of these collaborative works, Frazier reinforces the idea of art and image-making as a transformative act, a means of resetting traditional power dynamics and narratives both those of her family and of the community at large. "

A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.
