Vi er alle lei av laereboker som begynner med Hei! Hva heter du?, ikke sant? Mysteriet om Nils er basert på en fortlopende historie. Du klarer kanskje ikke å legge den fra deg? Da må du nok lære norsk! Det er ikke nødvendig at du har jobbet med del 1 av historien siden introduksjonen forteller deg alt som har skjedd i den forrige boka. Vi har sørget for at historien stort sett består av de mest brukte ordene i det norske spraket. Andre tekster og tilleggsoppgaver omhandler konversasjonstemaer og forbereder deg til livet i Norge. Du får kanskje hodepine av grammatikk? Ikke med Mysteriet om Nils. Oppdag strukturene i det norske spraket med bilder, enkle og likevel omfattende forklaringer og mange eksempler som er lette å huske. Repetisjon er særlig viktig når du lærer et språk. På [www.skapago.eu/nils](http://www.skapago.eu/nils) finner du lydklipp til historien, diverse øvelser, en glosetrener, uttalevideoer og mye mer - og det meste av dette er gratis. Lærerne våre har vært med på å utforme denne boka. De kjenner til alle vanskeligheter du kan snuble over, og de kan støtte deg med

individuell norskundervisning. Siden vi underviser gjennom videokonferanser over Internett, kan du delta fra hvor som helst i hele verden. Avtal en gratis prøvetime på [www.skapago.eu](http://www.skapago.eu). Dette er historien: Erna Langvik har laget en personlig bursdagsgave til det åtte år gamle barnebarnet sitt, Susanne: en dukke som er inspirert av den mytiske figuren nisse i norsk folklore. Nils - som er dukkens navn - lever et lykkelig liv sammen med den nye familien sin i Oslo. Men etter hvert blir det klart at Nils betyr mye mer for Erna enn bare det å være en tilfeldig bursdagsgave som hun har laget. Uten at han vet det, bærer han med seg en smertelig hemmelighet, og i løpet av en eventyrlig tur til Nord-Norge hjelper han Erna med å ta en av de vanskeligste beslutningene i livet hennes."

Literacy Practices in Transition explores the connections between local, situated literacy practices and global processes of mobility in the geographical space of the Nordic countries, an example of contemporary mobile societies. The detailed empirical analyses show how these connections affect individuals, practices and policies; how the global and local meet in discourses and practices and how people need to (re)negotiate their way in the complex and messy spaces in which they move. The volume challenges current trends in the global standardization of language and literacy education. Instead, it promotes the idea of literacy as a multiple, multilingual, multimodal and constantly contestable and negotiable phenomenon, which calls for the development of language and literacy education that is sensitive to the needs and experiences of the individual actors.

Introduction to Nordic Cultures is an innovative, interdisciplinary introduction to Nordic history, cultures and societies from medieval times to today. The textbook spans the whole Nordic region, covering historical periods from the Viking Age to modern society, and engages with a range of subjects: from runic inscriptions on iron rings and stone monuments, via eighteenth-century scientists, Ibsen's dramas and turn-of-the-century travel, to twentieth-century health films and the welfare state, nature ideology, Greenlandic literature, Nordic Noir, migration, 'new' Scandinavians, and stereotypes of the Nordic. The chapters provide fundamental knowledge and insights into the history and structures of Nordic societies, while constructing critical analyses around specific case studies that help build an informed picture of how societies grow and of the interplay between history, politics, culture, geography and people. Introduction to Nordic Cultures is a tool for understanding issues related to the Nordic region as a whole, offering the reader engaging and stimulating ways of discovering a variety of cultural expressions, historical developments and local preoccupations. The textbook is a valuable resource for undergraduate students of Scandinavian and Nordic studies, as well as students of European history, culture, literature and linguistics.

Explores how global youth push the boundaries of standard language and exploit the potential of their multilingual repertoires online.

Do you want to develop a solid understanding of Norwegian and communicate confidently with others?
