Buy Lectures on Linear Algebra (Dover Books on Mathematics) New edition by Gelfand, I.M., Schenitzer, A. (ISBN: 0800759660827) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

Lectures on Linear Algebra (Dover Books on Mathematics) ...

Lectures on Linear Algebra. Prominent Russian mathematician's concise, well-written exposition considers n-dimensional spaces, linear and bilinear forms, linear transformations, canonical form of an arbitrary linear transformation, and an introduction to tensors. While not designed as an introductory text, the book's well-chosen topics, brevity of presentation, and the author's reputation will recommend it to all students, teachers, and mathematicians working in this sector.
