Life Histories and Psychobiography: Explorations in Theory ...

Life histories and life stories are compilations of autobiographies about a sample of people that share ethnicities, social problems, professions or a specific lifestyle. A psychobiography does not use autobiographies but primary and secondary sources and usually it focuses on one person at a time.

Qualitative Methodology: Psychobiography ...

With an emphasis on life-narrative, the psychobiography as a phenomenological-hermeneutic case study requires a new phenomenological-hermeneutic method of analysis. While there are existing methods of both narrative and life-narrative analysis, they are not strictly phenomenological-hermeneutical.

The Case for the Psychobiography as a Phenomenological ...
