Time Flies, The Story of Porcupine Tree is the first in-depth investigation into one of England's most enigmatic bands. Drawing on original interviews with former band members, friends and colleagues, Rich Wilson has compiled a fascinating history of the band. Wilson is also the author of Lifting Shadows, the Authorised biography of Dream Theater.

In a not so distant future, our world returns to feudalism. Only this time, the powerful control the servant class with the very thing that once inspired revolution-music. Not the music of old. A new music engineered entirely by machines. But one person fights back with music as a human expression. That fight brings pain. And perhaps redemption.

**THE SUNDAY TIMES TOP TEN BESTSELLER** The Trophies ... The Tuesday Club ... The Prawn Crackers ... Marc Overmars may have given him the nickname, but the Romford Pele is a legend in his own right. Over 16 action-packed years, from a trainee scrubbing the boots of the first XI, to a record-breaking 333 Premier League appearances, Ray Parlour ' s never-say-die performances, curly locks and mischievous sense of humour have gone down in Arsenal history. Battling tirelessly on the pitch, often in the shadows of his star-name teammates, Parlour won three premier league titles and four FA Cup trophies with the Gunners. But he was also the heart and soul of the dressing room, the training ground and the after work drink. From nights out with Tony Adams, to teaching Thierry Henry cockney rhyming slang, from playing golf with Dennis Bergkamp to trading Inspector Clouseau jokes with Ars ène Wenger, this wonderfully funny and candid autobiography looks back on a golden age of the beautiful game, reliving the banter, the stories and the success. Ray Parlour is an Arsenal legend. During his 16-year career he won 3 Premier League titles, 4 FA Cups and the UEFA Cup. One of the most underrated players of his generation, he was also part of Arsenal ' s famous Invincible team of 2003/4, which went the entire Premier League season unbeaten. He is now a regular pundit for TalkSport and Sky Sports. He enjoys a short back and sides.

No other band has affected modern progressive metal as deeply or widely as American quintet Dream Theater. Formed at Berklee College of Music as Majesty in 1985 by guitarist John Petrucci, drummer Mike Portnoy, and bassist John Myung, the group has spent thirty years repeatedly pushing new boundaries and reinventing their identity. Although other acts - such as Queensr y che and Fates Warning - paved the way for the prog-metal subgenre, Dream Theater were without doubt the first to meld influences from both metal and progressive rock into a groundbreaking blend of quirky instrumentation, extensively complex arrangements, and exceptional songwriting. Whether subtly or overtly, they've since left their mark on just about every progressive metal band that's followed. In this book, Jordan Blum examines virtually all Dream Theater collections, and their behind-the-scenes circumstances, to explore how the group distinctively impacted the genre with each release. Whether classics of the 1990s like Images and Words and Metropolis Pt. 2: Scenes from a Memory, benchmarks of the 2000s like Six Degrees of Inner Turbulence and Octavarium, or even thrilling modern efforts like A Dramatic Turn of Events and Distance Over Time, every sequence of albums contributes something crucial to making Dream Theater's legacy nothing short of astonishing.

For the Anfield faithful, Jamie Carragher represents everything that is great about Liverpool Football Club, prompting the Kop to sing 'we all dream of a team of Carraghers'. The club's vice-captain, longest-serving player and one of a select band of players to have made more than 500 appearances for the Reds, Carra never gives less than 100 per cent for the cause. He is the embodiment of old-fashioned football values - a rarity in the modern game - honest and uncompromising. In Carra: My Autobiography, the Liverpool defender takes us deep into the heart of Anfield, into the club's past glories and its uncertain future. In his typically down-to-earth style, Carra reveals what made him discard his blue Evertonian roots to become a fully fledged Red, how he mended his wild ways to become a true professional and a multiple trophy-winner, and the truth about a succession of managers - Evans, Houllier, Ben i tez - in the hottest seat in football. A Scouser through and through, Carra also has some forthright views on the England team, and tells why he rejected calls to return to the international fold. Full of sensational stories and controversial opinions, of glory and heartbreak on and off the pitch, Carra: My Autobiography is a football book unlike any other. The authentic voice of Anfield, Carra is one of the Bootroom Boys in true Liverpool tradition, and is as committed on the page as in every game he has played.

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. **LONG WALK TO FREEDOM** is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

An amazing autobiography of a criminal from a forgotten time in american history. Jack Black was a burgler, safe-cracker, highwayman and petty thief.
