Testament to the Old West, from the Gospels to police dramas" (Ron Charles, *The Christian Science Monitor*). In "lyrical, openhearted prose" (Michael Glitz, *The New York Post*), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, *The Seattle Times*) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, *Detroit Free Press*).

Presents Black history in America as a force of strong resistance to racism and slavery rather than accommodation and discusses the people and events of this struggle

Throughout the history of the African American people there has been no stronger resource for overcoming adversity than the black church. From its role in leading a group of free Blacks to form a colony in Sierra Leone in the 1790s to helping ex-slaves after the Civil War, and from playing major roles in the Civil Rights Movement to offering community outreach programs in American cities today, black churches have been the focal point of social change in their communities. Based on extensive research over several years, *Mighty Like a River* is the first comprehensive account of how black churches have helped shape American society. An expert in African American culture, Andrew Billingsley surveys nearly a thousand black churches across the country, including its oldest, the First African Baptist Church in Savannah, Georgia. These black churches, whose roots extend back to antebellum times, have periodically confronted social, economic, and political problems facing the African American community. *Mighty Like a River* addresses such questions as: How widespread and effective is the community activity of black churches? What are the patterns of activities being undertaken today? How do activist churches confront such problems as family instability, youth development, AIDS and other health issues, and care for the elderly? With profiles of the remarkable black heroes and heroines who helped create the activist church, and a compelling agenda for expanding the black church's role in society at large, *Mighty Like a River* is an inspirational, visionary, and definitive account of the subject.

The Barfield brothers are separated by a Comanche raid. Years later, they are destined to be reunited and discover how their separate lives have changed them.

NEW YORK TIMES BESTSELLER OPRAH'S BOOK CLUB PICK The unique and deeply moving saga of four generations of African-American women whose journey from slavery to freedom begins on a Creole plantation in Louisiana. Beginning with her great-great-great-great grandmother, a slave owned by a Creole family, Lalita Tademey chronicles four generations of strong, determined black women as they battle injustice to unite their family and forge success on their own terms. They are women whose lives begin in slavery, who weather the Civil War, and who grapple with contradictions of emancipation, Jim Crow, and the pre-Civil Rights South. As she peels back layers of racial and cultural attitudes, Tademey paints a remarkable picture of rural Louisiana and the resilient spirit of one unforgettable family. There is Elisabeth, who bears both a proud legacy and the yoke of bondage... her youngest daughter, Suzette, who is the first to discover the promise-and heartbreak-of freedom... Suzette's strong-willed daughter Philomene, who uses a determination born of tragedy to reunite her family and gain unheard-of economic independence... and Emily, Philomene's spirited daughter, who fights to secure her children's just due and preserve their dignity and future. Meticulously researched

and beautifully written, *Cane River* presents a slice of American history never before seen in such piercing and personal detail.

The past fifteen years have seen renewed interest in the civil rights movement. Television documentaries, films and books have brought the struggles into our homes and classrooms once again. New evidence in older criminal cases demands that the judicial system reconsider the accuracy of investigations and legal decisions. Racial profiling, affirmative action, voting districting, and school voucher programs keep civil rights on the front burner in the political arena. In light of this, there are very few resources for teaching the civil rights at the university level. This timely and invaluable book fills this gap. This book offers perspectives on presenting the movement in different classroom contexts; strategies to make the movement come alive for students; and issues highlighting topics that students will find appealing. Including sample syllabi and detailed descriptions from courses that prove effective, this work will be useful for all instructors, both college and upper level high school, for courses in history, education, race, sociology, literature and political science.

This true story of an epic courtroom showdown, where two of the nation's largest corporations were accused of causing the deaths of children from water contamination, was a #1 national bestseller and winner of the National Book Critics Circle Award. Described as "a page-turner filled with greed, duplicity, heartache, and bare-knuckle legal brinksmanship by *The New York Times*, *A Civil Action* is the searing, compelling tale of a legal system gone awry—one in which greed and power fight an unending struggle against justice. Yet it is also the story of how one man can ultimately make a difference. Representing the bereaved parents, the unlikeliest of heroes emerges: a young, flamboyant Porsche-driving lawyer who hopes to win millions of dollars and ends up nearly losing everything, including his sanity. With an unstoppable narrative power reminiscent of Truman Capote's *In Cold Blood*, *A Civil Action* is an unforgettable reading experience that will leave the reader both shocked and enlightened. *A Civil Action* was made into a movie starring John Travolta and Robert Duvall.
