On this page manuql find the i-gotU GT manual. Photos matching the track and configured landmarks are presented in the upper window of this folder. GT-120/Owner ' s ...

Jython is an open source implementation of the high-level, dynamic, object-oriented scripting language Python seamlessly integrated with the Java platform. The predecessor to Jython, JPython, is certified as 100% Pure Java. Jython is freely available for both commercial and noncommercial use and is distributed with source code. Jython is complementary to Java. The Definitive Guide to Jython, written by the official Jython team leads, covers Jython 2.5 (or 2.5.x)—from the basics to more advanced features. This book begins with a brief introduction to the language and then journeys through Jython ' s different features and uses. The Definitive Guide to Jython is organized for beginners as well as advanced users of the language. The book provides a general overview of the Jython language itself, but it also includes intermediate and advanced topics regarding database, web, and graphical user interface (GUI) applications; Web services/SOA; and integration, concurrency, and parallelism, to name a few.

The second installment in The Wolf Chronicles finds Kaala struggling with the consequences of forming the first mixed wolf-human pack.

A " beautifully written, lyrical . . . completely believable " prize-winning novel about a girl ' s coming of age in war-torn Lebanon (Publishers Weekly). In her peaceful town outside Beirut, Ruba is slowly awakening to the shifting contours within her household: hardly speaking and refusing to work, her father has inexplicably withdrawn from his family in favor of his favorite armchair; her once-youthful mother looks so sad that Ruba imagines her heart must have withered like a fig in the heat; and Ruba ' s brother, Naji, is spending less time with Ruba than he is with older friends, some of whom carry guns. In trying to salvage her family, Ruba uncovers a secret from her father ' s past. It sends her on a journey far from the fantasies of youth and into a brutal reality where men kill in the name of faith and race, old wrongs remain unforgiven, and where nothing less than self-sacrifice and unity can offer survival. But as Israeli troops invade Beirut and danger moves ever closer, Ruba realizes that she alone may not be able to keep her loved ones safe. She must first save her father. " Exquisitely affecting . . . page-turningly suspenseful . . . A Girl Made of Dust is equally gripping as a poignant family drama and as a visceral depiction of living with war literally crashing on your doorstep " (Words Without Borders). With its " delightful and precocious narrator [reminiscent of] Scout in To Kill a Mockingbird, " Abi-Ezzi captures both a country and a childhood plagued by a conflict that even at its darkest and most threatening, carries the promise of healing and retribution (Christian Science Monitor).

Fatherless teen Guy Boucher finds himself at the center of an ugly rumor involving a popular girl, in a story told from the viewpoints of his overbearing uncle Isadore, the Shakespeare-loving Pam, a draft-dodging English teacher, and a pair of emotional golden boys. Reprint.

The essays collected in this book discuss the contemporary practice of corporate responsibility by applying the Christian principles of the unity of knowledge and pursuit of truth to the traditional principles of justice, human dignity and the common good, to rediscover a corporate culture that will help transform our economic system and the characteristics required to build an enduring trust in economic relationships. In this volume a select group of management theorists, theologians, legal scholars, economists and ethicists jointly strive to give back to the market economy its ethical and political dimensions. They assess the quality of present day corporate social responsibility, discuss the social and environmental costs of production and argue for an agenda that can be used in modern corporations in their effort to align profitability and growth with business ethics.

Mindful Conservatism examines how the misuse of our political vocabulary contributes to governmental, corporate, and educational policies that degrade the Earth's natural systems, and suggests ways to overcome this linguistic confusion to help recognize the fundamental connections between communities, sustainability, and the conservation of the world's diverse cultures. Visit our website for sample chapters!

A collection of columns and essays is a writers treasure chestthere are gems from The Wall Street Journal, the Des Moines Register and the Detroit News. A distinguished journalist displays his wit, feeling, and passion for language in these columns on family, newspaper life, politics, Irish heritage, his Iowa farm and Minnesota boyhood, which read like chapters of a life fully lived, from his coverage of presidents and politics to his poignant pieces on his daughters wedding and his sons death. Original.

Describes how to get the most out of the features and functions of the Verizon iPhone 4, covering such topics as connecting to a Wi-Fi network, syncing the iPhone, managing contacts and appointments, and accessing the App store.

Read Along or Enhanced eBook: Day One I swam around my bowl. Day Two I swam around my bowl. Twice. And so it goes in this tell-all tale from a goldfish. With his bowl to himself and his simple routine, Goldfish loves his life..until one day... When assorted intruders including a hyperactive bubbler, a grime-eating snail, a pair of amorous guppies, and a really crabby crab invade his personal space and bowl, Goldfish is put out, to say the least. He wants none of it, preferring his former peace and quiet and solitude. But time away from his new companions gives him a chance to rethink the pros and cons of a solitary life. And discover what he's been missing. Devin Scillian is an award-winning author and Emmy award-winning broadcast journalist. He has written more than 10 books with Sleeping Bear Press, including the bestselling A is for America: An American Alphabet and Brewster the Rooster. Devin lives in Michigan and anchors the news for WDIV-TV in Detroit. Early in his career Tim Bowers worked for Hallmark Cards, helping to launch the Shoebox Greetings card line. He has illustrated more than 25 children's books, garnering such awards as the Chicago Public Library's "Best of the Best" list. He also illustrated the widely popular First Dog. Tim lives in Granville, Ohio.
