restaurants, including Applebee's, The Olive Garden, Kentucky Fried Chicken, McDonald's, Burger King, Domino's Pizza, Subway, Dairy Queen, and Taco Bell, now you can feel confident about staying on the Program when dining out with friends or family. There are no confusing nutritional charts or graphs -- just simple, honest advice for those of us who enjoy dining out. Each restaurant listing offers Bob's Top Picks for healthy and delicious options, as well as a list of menu items that are not on the Program. With tips on portion control, beverage choices, and balancing fat, carbohydrates, and protein, this is an indispensable book for anyone who dines out once a year or once a week. Whether you're on the Program or

This book is one of the classic book of all time.

"In 1890-1930, the election system in American cities introduced nonpartisan ballots into the cities. Invisible Partisanship evaluates this election scheme and how it disproportionately helps Republicans win local legislative contests and shapes city councils and school boards to produce conservative and pro-developmental local policies, as it places more Republicans with

such political beliefs and policy preferences in the offices. Author Chang-Ho C. Ji asserts that partisan politics is a stronger force behind city and local politics than generally thought, ultimately shaping the process and results of local elections and various policy decision-making in cities and local school districts."--BOOK JACKET.

Provide your students with a solid foundation in individual and corporate taxation using the book that pioneered an unforgettable, clear and engaging approach to tax law more than 25 years ago. A ground-breaking, first-of-its-kind text, Pratt/Kulsrud's FEDERAL TAXATION today continues the momentum of success for your students with the most timely

vociferously celebrating the attainment of the baccalaureate degree at the University of Norway. The orator on this occasion was a tall, handsome, distinguished-looking young man named Alexander Kielland, from the little coast-town of Stavanger. There was none of the crudity of a provincial dither in his manners or his appearance. He spoke with a quiet self-possession and a pithy incisiveness which were altogether phenomenal. "That young man will be heard from one of these days," was the unanimous verdict of those who listened to his clear-cut and finished sentences, and noted the maturity of his opinions. But ten years passed, and outside of Stavanger no one ever heard of

Alexander Kielland. His friends were aware that he had studied law, spent some winters in France, married, and settled himself as a dignitary in his native town. It was understood that he had bought a large brick and tile factory, and that, as a manufacturer of these useful articles, he bid fair to become a provincial magnate, as his fathers had been before him.
