The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amora Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

The Pleiadian Emissaries of Light provide this fascinating chronicle of human spiritual evolution from a galactic perspective. This wider history of our solar system restores the long-forgotten connection of humankind with Venus, Mars, Maldek, and Earth. The truth about our ancient past is uncovered, helping us to remember the experiences that have caused us to function dualistically, and guiding us toward karmic wholeness as unified and divine beings.

Embraced worldwide as key spiritual teachers of our times, the Pleiadians are back, with another bold and controversial look at our highest purpose on Earth. Earth: Pleiadian Keys to the Living Library is their handbook to inspired living, calling on us to restore and return value to the human being, and to recognize the Goddess energies and the power of blood as connections to our DNA and our heritage. Using wit, wisdom, and deep compassion, they entice us to explore the corridors of time through the concept of the Game Masters; to awaken the crucial codes for multidimensional perspective; and to redream the Living Library of Earth. Their teachings are significantly arranged in twelve chapters to trigger a deeper understanding of our ancestral lineage. Earth probes the memories hidden deep within us to reveal our crucial roles in the transformational process unfolding in our times.
