Manx Crosses: A Handbook of Stone Sculpture 500 – 1040 in the Isle of Man. The carved stone crosses of the Isle of Man of the late fifth to mid-eleventh century are of national and international importance. They provide the most coherent source for the early history of Christianity in the Island, and for the arrival and conversion of Scandinavian settlers in the last century of the Viking Age – a century which produced some the earliest recognisable images of the heroes and gods of the ...

‘ Manx Crosses: A Handbook of Stone Sculpture ’ is the culmination of a lifetime ’ s interest in the monuments by medieval archaeologist and historian Sir David Wilson. A former director of the British Museum, Sir David retired to Castletown in 1992, but he has a much longer association with the Island and recalls that childhood visits to Kirk Michael first stimulated his interest in the Manx crosses.
