If you want to write a mind map for your essay, you just have to follow the following steps to essay writing. First, you have to write the subject in the center of the page. Next, you have to draw branches, each representing an idea pertaining to the subject matter. You should use relevant keywords to pen down your thoughts onto the branches.

A Guide to Mapping Your Subject in

Read Free Mapping Your Thesis Techniques And Essay Writing For Masters And

Use visual techniques like mind-mapping; Create a storyboard for your thesis. This tells the 'story' of the thesis in a small number of panels that mix text and pictures; Sort index cards with key ideas into a coherent structure; Use post-it notes with key ideas on a whiteboard to make connections with lines and colours.

Mapping Your Thesis: The Comprehensive Manual of Theory ...
Consider your thesis as a single document with an overarching argument. Once you have a sense of what the whole looks like, you can produce a "map" of your thesis. Producing this template will give you a sense of control over the project, helping you to identify the boundaries of your thesis, and providing you with a structure from which you can write.
