Anything over 150USD is silly money for pretty much any turntable Marantz made in the 1970s. I have had a 6100, 6025 and 6170. They were pretty average, equivalent in performance terms to low to mid level Technics decks from

Acces PDF Marantz 6170

the same period,
certainly nothing near
approaching the
SL1100, 120 / 1200,
150 or 1500, never
mind the proper hi-
end Technics like the
SP-10.
