Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.

Cast and Kristin Cast's House of Night series is an international publishing sensation. It's tough to begin a new life away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been singled out by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it's hard to fit in when everyone knows she's special. As she tries to make new friends and maybe find a hot boyfriend (or two), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-faultless plans, to the mysterious deaths happening at the House of Night and all over Tulsa. Things at the House of Night are not always what they seem. Can Zoey find the courage deep within herself to discover the truth and embrace her destiny?

At the start of this heart-pounding new installment of the bestselling House of Night series, Zoey's friends have her back again and Stevie Rae and the red fledglings aren't Neferet's secrets any longer. But an unexpected danger has emerged. Neferet guards her powerful new consort, Kalona, and no one at the House of Night seems to understand the threat he poses. Kalona looks gorgeous, and he has the House of Night under his spell. A past life holds the key to breaking his rapidly spreading influence, but what if this past life shows Zoey secrets she doesn't want to hear and truths she can't face? On the run and holed up in Tulsa's Prohibition-era tunnels, Zoey and her gang must discover a way to deal with something that might bring them all down. Meanwhile, Zoey has a few other little problems. The red fledglings have cleaned up well – they've even managed to make the dark, creepy tunnels feel more like home – but are they really as friendly as they seem? On the boyfriend front, Zoey has a chance to make things right with super-hot ex-, Erik, but she can't stop thinking about Stark, the archer who died in her arms after one unforgettable night, and she is driven to try to save him from Neferet's sinister influence at all costs. Will anyone believe the power evil has to hide among us?

It ' s Zoey ' s eighteenth birthmas and the Nerd Herd has been scattered across the country busily adulting for almost a year when Stark calls them back to Tulsa to surprise Z. Nothing at the House of Night is ever as it seems. With rabid red vampyres closing in, Zoey and the Nerd Herd must come together again and battle evil. But a year is a long time. Have these old friends grown too far apart? When the world fractures and allies become enemies, will darkness devour friendships or will light save those she ' s loved?
