Marlborough His Life and Times - AbeBooks

John Churchill, the Duke of Marlborough (1644-1722), was one of the greatest military commanders and statesmen in the history of England. Victorious in the Battles of Blenheim, Ramillies, and countless other campaigns, Marlborough, whose political intrigues were almost as legendary as his military skill, never fought a battle he didn't win.

Results for: Marlborough: His Life and Times 4 volumes

An epic tome covering the entire life of John Churchill, First Duke of Marlborough. I thoroughly enjoy all of Churchill's writings and wit, and even the less exciting moments are told with a vividness and dedication to historical accuracy (copiously detailed by Winston as his counter to the many slanders of Macaulay's histories) by way of documentation that one can only salute with admiration.

Marlboro and his Times is a Masterpiece of History. It transcends the vernacular. . Few know that Winston Churchill was awarded the Nobel Prize for his Writings. Marlboro and His Times is surely his greatest achievement as a Writer. Wonderful narration and a complex work to understand for even a Historian.

Marlborough: His Life and Times Audiobook | Winston ...

MARLBOROUGH His Life and Times Vol I-IV by Winston S. Churchill C.H. M. P. Published by Ballantyne Press. Condition: used - good. Core is intact. Book covers are generally old but pages clean and clear for reading. Description: John Churchill, the Duke

The second volume in the Nobel Prize winner's biography of John Churchill, first Duke of Marlborough: "The greatest historical work written in our century" (Leo Strauss). After the defeat of the Conservative government in the 1929 general election, Winston S. Churchill entered a period of political exile; a time he referred to as "the wilderness years." It was during this time that Churchill began his work on Marlborough: His Life and Times, widely considered to be one of his most ambitious and masterful literary works. Although not as well remembered as his more famous descendant—Churchill himself—Marlborough was an influential soldier and statesman of seventeenth- and eighteenth-century Great Britain, known in his day as a gifted military commander who never lost a battle. This second volume of Churchill's four-part biography brings Marlborough's military successes, political intrigues, and personal passions to life, while his descendant reflects "on the perplexities of alliances, the paradoxes of strategy, and the stresses of combat" (Foreign Affairs). "An inexhaustible mine of political wisdom and understanding, which should be required reading for every student of political science." —Leo Strauss

John Churchill, the Duke of Marlborough (1644-1722), was one of the greatest military commanders and statesman in the history of England. His descendant, Sir Winston Churchill wrote this work as both an act of homage, and as an historical insight into the man behind the statesman.

A fascinating new look at a neglected side of Winston Churchill - his life as a professional author - revealing how his most important literary work shaped his role as a world leader, and the history of the Second World War

"Of the many biographies of Marlborough, two deserve special mention: Sir Winston Churchill, in Marlborough: His Life and Times (4 vols., 1933-1938; abridged in one volume, by Henry Steele Commager, 1970), is intent on vindicating his ancestor from Thomas Babington Macaulay's aspersions, and the work is full of special pleading; it prints little not already found in Coxe, but it has some splendid battle pieces."--biography.yourdictionary.com.

NEW YORK TIMES BESTSELLER One of The Wall Street Journal's Ten Best Books of 2018 One of The Economist's Best Books of 2018 One of The New York Times's Notable Books of 2018 "Unarguably the best single-volume biography of Churchill . . . A brilliant feat of storytelling, monumental in scope, yet put together with tenderness for a man who had always believed that he would be Britain's savior." —Wall Street Journal In this landmark biography of Winston Churchill based on extensive new material, the true genius of the man, statesman and leader can finally be fully seen and understood--by the bestselling, award-winning author of Napoleon and The Storm of War. When we seek an example of great leaders with unalloyed courage, the person who comes to mind is Winston Churchill: the iconic, visionary war leader immune from the consensus of the day, who stood firmly for his beliefs when everyone doubted him. But how did young Winston become Churchill? What gave him the strength to take on the superior force of Nazi Germany when bombs rained on London and so many others had caved? In Churchill, Andrew Roberts gives readers the full and definitive Winston Churchill, from birth to lasting legacy, as personally revealing as it is compulsively readable. Roberts gained exclusive access to extensive new material: transcripts of War Cabinet meetings, diaries, letters and unpublished memoirs from Churchill's contemporaries. The Royal Family permitted Roberts--in a first for a

Churchill biographer--to read the detailed notes taken by King George VI in his diary after his weekly meetings with Churchill during World War II. This treasure trove of access allows Roberts to understand the man in revelatory new ways, and to identify the hidden forces fueling Churchill's legendary drive. We think of Churchill as a hero who saved civilization from the evils of Nazism and warned of the grave crimes of Soviet communism, but Roberts's masterwork reveals that he has as much to teach us about the challenges leaders face today--and the fundamental values of courage, tenacity, leadership and moral conviction.

Portrays the ambitious, impulsive, brave and arrogant English family that gave the world Winston Churchill, describing generations of ancestors who were recklessly wasteful womanizers but also triumphant military leaders all saddled with the upkeep of the family palace, Blenheim. 50,000 first printing.

The prime minister and Nobel Prize-winning historian begins his four-volume biography of the British statesman John Churchill, first Duke of Marlborough. In the first volume of this ambitious and stunningly written biography, Sir Winston S. Churchill discusses the early career and stratospheric rise of his illustrious, seventeenth century ancestor. John Churchill, the Duke of Marlborough, may have been eclipsed in history by his more well-known descendant, but in his time, Marlborough was considered one of England's foremost military and political leaders. This first installment pays particular attention to personal details of Marlborough's life, and the important role several women played in his success—including his sister, his wife, the Duchess of Cleveland, and Queen Anne herself. Churchill breathes life into these personal connections in order to showcase Marlborough not only as a luminary figure in British history, but also to bring him to life once again in the mind of the reader. "A sustained meditation on statecraft and war by the greatest war leader of our time." —Foreign Affairs "The greatest historical work written in our century, an inexhaustible mine of political wisdom and understanding, which should be required reading for every student of political science." —Leo Strauss

A great statesmen, a masterful historian whose writings won him the Nobel Prize for literature and a war-time leader with few peers, Sir Winston Churchill is remembered perhaps most clearly today for the sheer power of his oratory: the speeches that rallied a nation in its darkest hour and steeled that nation for victory against the might of the Fascist powers. *Never Give In!* celebrates this oratory by gathering together Churchill's most powerful speeches from throughout his public career. Carefully selected by his grandson, this collection includes all his best known speeches - from his great war-time broadcasts to the "Iron Curtain" speech that heralded the start of the Cold War - and many lesser known but inspirational pieces. In a single volume *Never Give In!* provides a powerful testimony to one of the great public figures of the 20th century.
