committed in an effort to awaken Satan to begin his slaughter of humankind--needs only one more victim, the San Francisco detective who is hunting him down, to complete his demonic project

A serial killer is on the loose in San Francisco. Only when Lieutenant Larry Foggia is assigned to the case does the true horror of the killer's motive come to light. A ritual killer - nicknamed 'Satan' - stalks the city, killing in terrible ways with no apparent motive. Enter Lieutenant Foggia who, assisted by a spiritualist medium, must

discover the reason for the slayings. But the truth he unearths is beyond anything he's encountered in the real world - for the killings are paving the way for a force so powerful that the lives of a few innocents will appear unimportant in comparison...

Featuring several of Masterton's favourite themes, such as spiritualism and demonology, *Black Angel* moves at a fast pace from the stomach-churning opening to the exciting final confrontation between man and demon.

Immune to pain, invincible in combat. The most terrible of all demons... In Japanese mythology, the Tengu is a living force of evil that infects its followers with the mad strength of the berserker and the capacity to survive attack from any weapon. At the close of World War II, the Tengu was Japan's most terrifying secret weapon. Now the demon is unleashed again - this time in a diabolical plot to wreak vengeance on America for the mega-destruction of Hiroshima... It is said that a mirror can trap a person's soul... Martin Williams is a broke, two-bit screenwriter living in Hollywood, but when he finds the very mirror that once hung in the house of a murdered 1930s child star, he happily spends all he has on it. He has long obsessed over the tragic story of Boofuls, a

beautiful and successful actor who was slaughtered and dismembered by his grandmother. However, he soon discovers that this dream buy is in fact a living nightmare; the mirror was not only in Boofuls house, but witness to the death of this blond-haired and angelic child, which in turn has created a horrific and devastating portal to a hellish parallel universe. So when Martin's landlord loses his grandson it is soon apparent that the mirror is responsible. But if a little boy has gone into the mirror, what on earth is going to come out?

A rash of sacrificial deaths in California leads an investigator into a nightmare world of occultism and Nazi terror: "A master of the genre." —Rocky Mountain News The shocking suicide of his beautiful fiancée has left Lloyd Denman devastated. Though outwardly happy, Celia Williams chose to set herself on fire, ending her young life in the most excruciating manner imaginable. Haunted by her death, Lloyd vows to uncover the truth behind her bizarre actions. An answer may be waiting for him in the California desert, where ashes and bone are all that remain of a busload of passengers who perished in an

But Lloyd's desperate search is pulling him deeper into the circle of the Salamanders—a world domination cult born of the same dark and ancient secrets that spawned Adolf Hitler's Third Reich. And once in, there may be no way out for Lloyd, except through the terrible purifying agony of flame. A gripping masterwork of supernatural suspense from one of the very best in the nightmare business, Graham Masterton's *The Hymn* is a breathtakingly original tale. Combining terrors both psychological and supernatural with the mystical secrets of
