In this choose-your-own adventure graphic novel, a boy stumbles on the laboratory of a mad scientist who asks him to choose between testing a mind-reading device, a time machine, and a doomsday machine.

Meanwhile (Comic Book) - TV Tropes

Jimmy is a stereotypical geek who works at the library in Oakland, California, and is trapped in his own torpidity. Sara is his best friend, but she wants to get a life (translation: an apartment in Brooklyn and a publishing internship). When Sara moves to New York City, Jimmy is rattled. Then lonely. Then desperate. He screws up his courage, writes Sara a letter about his true feelings, and asks her to meet him at the top of the Empire State Building (a nod to their ongoing debate about Sleepless in Seattle). Jimmy's cross-country bus trip to Manhattan is as hapless and funny as Jimmy himself. When he arrives in the city he's thought of as "a festering hellhole," he's surprised by how exciting he finds New York, and how heartbreaking—he discovers Sara has a boyfriend! Jason Shiga's bold visual storytelling, sly pokes at popular culture, and subtle text work together seamlessly in Empire State, creating a quirky graphic novel comedy about the vagaries of love and friendship. Praise for Empire State: "He [Shiga] displays a wicked sense of comic timing." -Publishers Weekly "Empire State: A Love Story (Or Not) is funny, sweet, geeky and affecting, and definitely worth a read." -Wired.com "Shiga's illustrations . . . are unique and endearing, and his images of NYC are instantly recognizable." -am New York "If Woody Allen grew up in Oakland rather than Manhattan, he'd most likely see the world, and especially New York City, as Jason Shiga does in Empire State." -Big Think.com

The year is 1973. A priceless book has been stolen from the Oakland Public Library. A crack team of Bookhunters (aka, library police) have less than three days to recover the stolen item. It's a race against the clock as our heroes use every tool in their arsenal of library equipment to find the book and the mastermind who stole it.

Volume 1 was an Eisner Award winner and LA Times Book Prize finalist! The OSS is after Jimmy, and they're planning on using his daughter to catch him. But Jimmy will tear the world apart to keep his daughter safe. Literally. This morally bankrupt immortal freak of nature has absolutely no concern for the wellbeing of any human being besides himself and his Sweetpea. It'd be adorable if it weren't so scary. From the brilliant and profane mind of Jason Shiga, known for his high-concept comics work on the web and in print, comes a magnum opus, Demon: a four-volume mystery adventure about the shocking chaos (and astronomical body count) one highly rational and utterly sociopathic man can create in the world, given a single simple supernatural power.

With his demon powers, nothing is denied Jimmy Yee. Sex, drugs, and rock-n-roll—that's just for amateurs. He's experienced every earthly pleasure known to man, and even invented a few of his own. Confident that he and his daughter Sweetpea have outlived all of the their enemies, Jimmy spends his day reveling in his immortality. But after 250 years, immortality is getting a little dull. Jimmy's bacchanal lifestyle is about to get a shake up. The OSS is back and ready for a showdown, and this no-holds-barred battle promises to be Jimmy's most violent and raunchy one yet. From the brilliant and profane mind of Jason Shiga comes Demon: a four-volume graphic novel epic about the unspeakable chaos that one indestructible man can unleash on the world—and the astronomical body count he leaves behind.

"No matter how hard he tries, Jimmy Yee cannot die. A noose around his neck, a razor across his wrist, and even a bullet to his head all yield the same results: he awakes from each suicide attempt, miraculously unharmed, in his shabby room at the Sunbeam Motel. Has he gone mad? Or has he truly died and found himself in hell? Jimmy is willing to tear the world down around him to get at the truth. Highly analytical and utterly unscrupulous, he is uniquely suited to unraveling this bizarre mystery. From the brilliant and profane mind of Jason Shiga, known for his high-concept graphic novels, comes Demon: a four-volume magnum opus about the unspeakable chaos that one indestructible man can unleash on the world05and the astronomical body count he leaves behind"—Provided by publisher.

"Meet Rickety Stitch—a walking, talking, singing skeleton minstrel. He's the one skeleton in the dungeon who seems to have retained his soul, and he has no idea why. His only clue to his former identity is a song he hears snippets of in his dreams, an epic bard's tale about the Road to Epoli and the land of Eem. His sidekick and sole friend is the gelatinous Goo, who Rickety alone can understand. Together they set out in search of Rickety's past, with abundant humor and danger galore!"--Amazon.com.

Test your courage against skeleton warriors, a powerful wizard and the dreaded borkadrac. Every 'Twisted Journeys' graphic novel lets you control the action by choosing which path to follow. Which twists and turns will your journey take?

"A collection of comics about every kid's favorite school subject: lunch!"--
