Metals in Past Societies: A Global Perspective on ...
Metals in Past Societies - A Global Perspective on Indigenous African Metallurgy | Shadreck Chirikure | Springer. Contributions from Africa. Communicates the key attributes of African metallurgy, to both a global and local audience. Provides narrative on conceptual gaps between the technological and sociological dimensions of metallurgy.

Metals in Past Societies - A Global Perspective on ...
The cultural valuation of metals and the social positions of metal workers were different too although there is evidence of some values transfer and multi-directional technological cross borrowing. The multitude of permutations associated with metals production and use amply demonstrates that metals participated in the production and reproduction of society.
