flashcards, videos, MP3 review podcasts, and quick quizzes that allow students to study wherever they are and whenever they have time. In addition, Aplia's premium student engagement tool for management will help your students "think like managers". This tool allows you to easily manage the subtle dynamics of teaching Principles of Management, with problem sets that guide students through a combination of lower and higher order thinking skills exercises, video cases, interactive charts/graphs, self assessments, and vivid examples. Holding students accountable for their own engagement becomes easy with Aplia's assessment analytics that track student participation, progress, and performance. Also available with MGMT6 is Cengage Learning's Write Experience, helping students write
