The Word Biblical Commentary delivers the best in biblical

Access Free Micah Malachi Volume 32 Hardcover Ralph Smith

scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction--covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of

Access Free Micah Malachi Volume 32 Hardcover Ralph Smith

the commentary includes: Pericope Bibliography--a helpful resource containing the most important works that pertain to each particular pericope. Translation--the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes--the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting--a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional

features important to understanding the passage are also introduced here. Comment--verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation--brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography--occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

A companion series to the acclaimed Word Biblical

Commentary. Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths. These themes and ideas are often like precious gems: they lie beneath the surface and can only be discovered with some difficulty. While commentaries are useful for helping readers understand the content of a verse or chapter, they are not usually designed to help the reader to trace important subjects systematically within a given book a Scripture. The Word Biblical Themes series helps readers discover the important themes of a book of the Bible. This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship, and discipleship of God's people. Volumes in this series: • Written by top biblical

Access Free Micah Malachi Volume 32 Hardcover Ralph Smith

scholars• Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series• Distill deep and focused study on a biblical book into the most important themes and practical applications of them• Give reader's an ability to see the "big picture" of a book of the Bible by understanding what topics and concerns were most important to the biblical writers• Help address pressing issues in the church today by showing readers see how the biblical writers approached similar issues in their day• Ideal for sermon preparation and for other teaching in the church

Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series, and will help pastors, bible teachers, and students as they seek to understand and apply God's word to their

ministry and learning.

The Minor Prophets are those dozen Old Testament books that, in the time of Jesus, were usually written on one scroll since they were all fairly brief. The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six: Hosea, Joel, Amos, Obadiah, Jonah, and Micah. This second volume deals with the final six books. John Goldingay writes on Nahum, Habakkuk, Zephaniah, and Haggai; Pamela Scalise takes on the longest, Zechariah, and the last, Malachi. Like the authors of other volumes in the NIBC, Goldingay and Scalise utilize what is referred to as "believing criticism" when examining the biblical texts. Based on fidelity to critical analysis and sensitivity to the faith of both ancient

Access Free Micah Malachi Volume 32 Hardcover Ralph Smith

and contemporary readers, this balanced approach enriches both the academy and the church. Following the series guidelines, the authors clearly explain the texts with additional notes regarding interpretation and "practical" reflection. For example, Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon, the Israelites needed to hear the word of God as a caution against their own pride and wickedness. He goes on to suggest that modern readers must remember, as well, that the same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example. The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious

Access Free Micah Malachi Volume 32 Hardcover Ralph Smith

students can use with profit. Based on the widely used New International Version translation, the NIBC presents careful section-by-section exposition with key terms and phrases highlighted and all Hebrew transliterated. A separate section of notes at the close of each chapter provides additional textual, linguistic, cultural, and technical comments. Each commentary also includes a selected bibliography as well as Scripture and subject indexes.

In this commentary on Haggai and Malachi, Mignon Jacobs offers clear and insightful interpretation of the text while highlighting themes that are especially relevant to contemporary concerns, such as honoring or dishonoring God, the responsibilities of leaders, questioning God, and

Access Free Micah Malachi Volume 32 Hardcover Ralph Smith

hearing the prophetic word in challenging times. Engaging with the latest scholarship, Jacobs provides a thorough introduction to both prophets in which she addresses questions of authorship, date, purpose, structure, and theology, followed by a new translation of the biblical text and a verse-by-verse commentary. With intertextual discussions about key aspects of the text and attention to competing perspectives, this commentary offers a rich new interpretation of Haggai and Malachi.

A Respected Scholar Introduces Students to the Discipline of Old Testament Studies Richard Hess, a trusted scholar of the Old Testament and the ancient Near East, offers a substantial introduction to the Old Testament that is accessibly written

Access Free Micah Malachi Volume 32 Hardcover Ralph Smith

and informed by the latest biblical scholarship. Hess summarizes the contents of the Old Testament, introduces the academic study of the discipline, and helps readers understand the complex world of critical and interpretive issues, addressing major concerns in the critical interpretation of each Old Testament book and key texts. This volume provides a fulsome treatment for students preparing for ministry and assumes no prior knowledge of the Old Testament. Readers will learn how each book of the Old Testament was understood by its first readers, how it advances the larger message of the whole Bible, and what its message contributes to Christian belief and the Christian community. Twenty maps, ninety photos, sidebars, and recommendations for further study add to the book's

usefulness for students. Resources for professors are available through Baker Academic's Textbook eSources.

This work completes Daniel Block's two-volume commentary on the book of Ezekiel. The result of twelve years of studying this difficult section of Scripture, this volume, like the one on chapters 1-24, provides an excellent discussion of the background of Ezekiel and offers a verse-by-verse exposition that makes clear the message of this obscure and often misunderstood prophet. Block also shows that Ezekiel's ancient wisdom and vision are still very much needed as we enter the twenty-first century.

THE NEW AMERICAN COMMENTARY is for the minister or

commentary volumes based on the New International Version text.

The books of the twelve Minor Prophets are some of the least studied by Christians today, but they contain some of the great themes of Scripture, such as God's mercy and judgment, His covenant with Israel, the day of the Lord, and the coming of the Messiah. Arguing for a canonical unity that recognizes the Minor Prophets as one cohesive composition, Michael Shepherd explains the historical meaning of each verse of the twelve books and also provides guidance for application and preaching. Pastors, teachers, and serious students of Scripture will find a wealth of insights for understanding the Minor Prophets.
