Decreasing agricultural labor as a result of the price of farm labor is rising. Farmers are increasingly adopting agricultural mechanization as a substitute for manual labor with a more cost-effective ...

If Adamski and the six companions who swore an affidavit to his Space Man encounter are not trying to pull off a gigantic hoax, then this is quite possibly the greatest story ever." That was what the Daily Sketch wrote about" Flying Saucers Have Landed." For, in the second part of this book, Adamski swears that he saw a space ship land in the desert in California and that he made contact with one of its occupants. More, he provides considerable testimony to support his claims. Desmond Leslie, who contributes the first part of the book, goes even further, asserting that flying saucers have been landing on earth for thousands of years, and gives records of their arrivals

Carey Rockwell is the pseudonym used for the author of the Tom Corbet Space Cadet series of books written for young boys. This 1950's series included books, comic strips, coloring books and television shows. The Tom Corbett space series consists of eight books, which may have been based on the novel Space Cadet by Robert Heinlein. The series follows the adventures of Tom and his friend Roger as they train to be members of the Solar Guard. The stories center around the academy, the bunkroom and their training ship Polaris. Their adventures take them to alien worlds in our solar system and beyond.
