MLA Referencing: A Quick Guide - HomeWork Help

Read Free Mla Style Referencing Guide

Citations you include in the main body of your writing provide brief details of the work you are referring to. In the MLA style, you place the relevant source information in brackets after a quote or a paraphrase. These short "parenthetical citations" then link to a fully detailed reference, which you should include in your works cited list. You should also check with the person assessing your work whether parenthetical citations need to be included in your final word count.
