endeavor whose center of gravity lies at the humanities end of the happily still undisciplined discipline of political science.

Overview of Political Theory - Oxford Handbooks

An Introduction to Modern Political Theory is just that. Unlike most books on political theory it doesn't start with Plato and work its way through Hobbes, Hegel, Marx, etc., but rather discusses the work of such philosophers as Rawls, Hayek, and Hart. The first part of the book deals with the methodology and status of political philosophy, the second discusses particular aspects of political theory.
