Infirmary. Each volume of Monster Musume: I Heart Monster Girls will include a full-color insert, and three bonus full-color, double-sided postcards, each featuring a different monster girl from the series.

A hilarious companion series to Monster Musume that includes three bonus monster girl post cards! Monster Musume: I Heart Monster Girls is an ongoing manga series starring everyone's favorite monster girls from the New York Times bestseller, Monster Musume. Monster Musume: I Heart Monster Girls doubles-up on the humor and heart, telling original stories in four-panel comic strip anthology format, including a short Monster Musume story from Shake-O, creator of Nurse Hitomi's Monster Infirmary. When hapless human twenty-something Kurusu Kimihito becomes an involuntary "volunteer" in the government homestay program for monster girls, his world is turned upside down. A reptilian lamia named Miia is sent to live with him, and it is Kimihito's job to tend to her every need and make sure she integrates into his everyday life. While cold-blooded Miia is so sexy she makes Kimihito's blood boil with desire, the penalties for interspecies breeding are dire. Even worse, when a buxom centaur girl named Centorea and a scantily clad harpy named Papi move into Kimihito's house, what's a full-blooded young man with raging hormones to do? And they're only the beginning of Kimihito's foray into the world of monster girls!

So far, Kimihito's been lucky. The monster girls living with him have been cute, curvaceous, and have never tried to kill him on purpose. But now, the dark side of liminals rises to the surface. Piggish orcs run hog-wild

over Japan to satisfy their perverted desires. And the team that the government assembles to combat them is every bit as strange and inhuman as the criminals they're fighting. Meanwhile, Kimihito has to contend with adding the lovely and elegant mermaid Mero to his ever-growing menagerie of monster girls. How will the possessive Miia, the noble Centorea, the bird-brained Papi, and the slime-girl Suu react to the newest addition to their household - and yet another contender for Kimihito's heart?

In a shocking twist (okay, maybe not so shocking...), Kimihito learns that he's been playing host to a princess! Mero the mermaid is actually the daughter of the king and queen of the sea, and now her royal mother is summoning her back home. Kimihito, along with the other monster girls living in his household, go to visit the mermaid queen in the hopes of changing her mind. Along the way, they uncover a tangled scheme that involves kidnapping, royal intrigue, tragedy, and, of course, naughty tentacles. If this intrepid group can manage to stay un-molested long enough to solve the mystery, they could transform the entire mermaid kingdom! But for once, Kimihito isn't the only one risking his life in the name of interspecies relations.

Get married and I kill you. This was the letter sent to Kimihito, an ordinary guy living with a houseful of extraordinary beauties, by a mysterious writer known only as "D." Now it's up to Interspecies Coordinator Smith, Kimihito, and his ever-increasing menagerie of monster girls to find out who is behind the threatening letter before it's too late. The game plan?

Where To Download Monster Musume I Heart Monster Vol 2

Use Kimihito as bait by sending him on a series of dates with monster girls. Along the way, several possible suspects emerge, each of whom has a "D" connection of one kind or another. Meanwhile, Kimihito's potential brides each begin acting strangely. Are they taking the fake dates too seriously - or is something (or someone) far more sinister at work?

Suu's been kidnapped! Kimihito and his houseful of monster girls set out to find her, but what starts as a simple search and rescue mission turns dangerous when Suu is forced to face off against a giant slime. A plus-sized water battle ensues and Kimihito is once again caught in the middle--literally! Which slime will reign supreme?

Centorea's got a problem - a big problem, with eight legs and a web-slinger! It seems Rachnera, the shady spider-woman, wasn't content with stringing up Kasegi (who totally deserved it) and now she wants to trap Kimihito in her lascivious snare! Will the noble centaur save her master from the claws of the Arachne, or will Centorea find herself caught in Rachnera's tangled web?

A whole new group of sexy monster girls are chasing after Kimihito, and they're all hungry for his blood! While he goes undercover to try and find the third "rogue liminal," Kimihito soon finds himself at the mercy of their voracious blood-sucking appetites. Can Mii, Papi, and the rest of Kimihito's menagerie find him before he's drained completely dry...or meets a fate worse than death? This romantic harem comedy

Where To Download Monster Musume I Heart Monster Vol 2

is sure to get your heart pumping!

Kimihito's eyes are about to pop. The mothers of not one, not two, but three of the monster girls who live with him are coming for a visit. It doesn't help that this trio of mothers is every bit of sexy as their daughters - and just as dangerous to Kimihito's mental and physical well-being. Stuck in the middle between the mothers and their daughters, Kimihito learns more than he ever wanted to know about the mating habits of lamia, harpies, and centaurs, while repeatedly facing the possibility of an ecstatically painful death. Fur, feathers, and scales are about to fly, as Kimihito's hide hangs in the balance!

A new spin-off novel for the bestselling Monster Musume series! When twenty-something Kurusu Kimihito became an involuntary "volunteer" in the government homestay program for monster girls, his world was turned upside down. A lamia named Miia was sent to live with him, and it's Kimihito's job to make sure the sexy snake girl integrates into everyday life. In this novel spin-off, a new program hopes to give monster girls experience in the working world-leading to sexy uniforms, on-the-job shenanigans, and all-new hilarity! Written by Yoshino Origuchi, the author of the Monster Girl Doctor light novels (which were recently turned into an anime), and illustrated by series creator OKAYADO, this series features everyone's favorite monster girls in a novel adventure!
