Stories We Tell | Film | The Guardian

The stories we tell ourselves provide an insight into our subconscious minds: our fears, desires and ambitions. When we reflect on these stories, we can learn more about ourselves – what our values are, what we view as meaningful and important. And here is the most exciting part. In realising how prone we are to tell stories, and more ...

The Stories We Tell Ourselves is the fifth studio album by the American rock band Nothing More, which was released on September 15, 2017. It is the band's second album to be released on the Eleven Seven Music record label. The album's first single, " Go to War ", topped the Billboard US Mainstream Rock Songs chart in November 2017.

The Stories We Tell Ourselves - Wikipedia

The Stories we Tell is rich with biblical allusions as well as pop culture breadth and depth. This is exactly the sort of discerning, level-headed analysis that Christians need more of, and Cospir lays out some excellent ground rules as well as providing lots of examples.
