can vary from 3 characters on-wards, i.e. the value is never fixed. Open the process. Add the variable version of the field you wish to format.

## ~~Movex M3 | StreamServant~~

Anybody who has worked with Infor M3 (or the older Movex versions) knows what a pain output management can be. The basic reports which come out of M3 look like they were created back in the old greenbar paper, dot-matrix printer days ( because, well, chances are they were ). Getting data out of the system in a manner which users want is often

## File Type PDF Movex Output Management 3 Streamserve

a struggle that leads to developing a separate reporting platform, using software like Crystal Reports or Microsoft Reporting Services.
