Peanut butter mug cake – replace oil with 1
tablespoon of peanut butter or almond butter
for less saturated fat. Also, increase non-
dairy milk by 1 tablespoon! Protein mug cake

increase the milk by 2 tablespoons. However,
depending on the protein powder brand this
may dry the mug cake batter. Always add more
non-dairy milk to achieve a cake batter that
looks like regular cake batter, not too
dense! More quick vegan mug cake recipes
