a better way. Repair Revolution chronicles the rise of Repair Cafes, Fixit Clinics, and other volunteer-run organizations devoted to helping consumers repair their beloved but broken items for free. Repair Revolution explores the philosophy and wisdom of repairing, as well as the Right to Repair movement. It provides inspiration and instructions for starting, staffing, and sustaining your own repair events. “ Fixperts ” share their favorite online repair resources, as well as tips and step-by-step instructions for how to make your own repairs. Ultimately, Repair Revolution is about more than fixing material objects: in an age of over-consumption and planned obsolescence, do-it-yourself repair is a way of caring for our lives, our communities, and our planet.
