Museum Administration: An Introduction (American ...

While the book is a bit outdated in terms of technology, the book has some timeless advice for an introduction to museum administration. I read it for class in hopes that I would not be completely lost and Genoways did a great job in breaking the jobs down into precise and clear snippets with examples throughout.

Museum Administration: An Introduction by Hugh H. Genoways

This lively revision of Museum Administration brings it up to date with fresh and relevant examples, expanded explanations of complex operations like strategic planning and financial management, and above all, attention to the changing contexts—cultural, political, and legal—that impact museum operations. Issues like diversity, inclusiveness, and access are threaded throughout the chapters so that readers understand that challenges must be tackled on many fronts.
