Romantic - Musical periods and styles - National 5 Music ...

Romantic music is a stylistic movement in Western orchestral music associated with the period of the nineteenth century commonly referred to as the Romantic era (or Romantic period). It is closely related to the broader concept of Romanticism—the intellectual, artistic and literary movement that became prominent in Europe from approximately 1800 until 1910.

Romantic music - Wikipedia

The possibilities for dramatic expressiveness in music were augmented both by the expansion and perfection of the instrumental repertoire and by the creation of new musical forms, such as the lied, nocturne, intermezzo, capriccio, prelude, and mazurka. The Romantic spirit often found inspiration in poetic texts, legends, and folk tales, and the linking of words and music either programmatically or through such forms as the concert overture and incidental music is another distinguishing ...
