Handcrafted soaps and lotions from the Hudson Valley and surrounding area come in all types. Like fine food, handcrafted soap is often the result of very specific recipes and processes that make the soap unique. Most soapmakers use botanicals, herbs, spices or other natural ingredients to create their soaps and lotions.

Natural ingredients in bar soaps are also becoming more common. Free of parabens, phthalates, sulfates, and other chemicals that are questionable for your health, there literally is not a downside to switching to bar soap.

~~The Best Natural Bar Soaps | Martha Stewart~~

Our handmade natural organic soaps are carefully crafted in the old world tradition with pure essential oils, wild and organic herbs, and 100% certified organic vegetable oils. Why? Because organic soap matters! What we put on our skin matters. What we dump on our earth matters. And what we leave behind for our children and grandchildren...matters.
