Waves and tides, wind and storms, sea-level rise and shore erosion: these are the forces that shape our beaches, and beach lovers of all stripes can benefit from learning more about how these coastal processes work. With animation and clarity, *The Beach Book* tells sunbathers why beaches widen and narrow, and helps boaters and anglers understand why tidal inlets migrate. It gives home buyers insight into erosion rates and provides natural-resource managers and interested citizens with rich information on beach nourishment and coastal-zone development. And for all of us concerned about the long-term health of our beaches, it outlines the latest scientific information on sea-level rise and introduces ways to combat not only the erosion of beaches but also the decline of other coastal habitats. The more we learn about coastline formation and maintenance, Carl Hobbs argues, the better we can appreciate and cultivate our shores. Informed by the latest research and infused with a passion for its subject, *The Beach Book* provides a wide-ranging introduction to the shore, and all of us who love the beach and its associated environments will find it timely and useful.

Following the outbreak of a devastating nuclear war in the Northern Hemisphere, the inhabitants of a small Australian community await the inevitable after-effects of the bombs to reach them. Reissue.

Richard Misrach, one of photography's contemporary masters, is renowned for his beautifully rendered epic works. This massive, 20 by 16 inch monograph features the long-awaited publication of a spectacular series in which Misrach hones in on the delicate relationship between humans and the sea. Aperture

A young girl spends a radiant summer day at the beach in this updated classic from the author of *Apples and Pumpkins*. Sun...sand...the bright blue ocean! There is so much for a young girl to do on a visit to the beach: sand castles to build, seashells to gather, sandpipers to run with, and a picnic lunch to enjoy. This updated edition of a perennial summertime favorite includes new jacket art from Lizzy Rockwell and refreshed interior art and design.

A 20th anniversary edition of this million copy bestseller, with a new introduction by John Niven: a classic story of paradise found - and lost. Richard lands in East Asia in search of an earthly utopia. In Thailand, he is given a map promising an unknown island, a secluded beach - and a new way of life. What Richard finds when he gets there is breathtaking: more extraordinary, more frightening than his wildest dreams. But how long can paradise survive here on Earth? And what lengths will Richard go to in order to save it?

One summer's night in 1946, over 1,000 European Jews waited silently on an Italian beach to board a secret ship. They had survived Auschwitz, hidden and fought in forests and endured death marches--now they were taking on the Royal Navy, running the British blockade of Palestine. From Eastern Europe to Israel via Germany and Italy, Rosie Whitehouse follows in the footsteps of those secret passengers, uncovering their extraordinary stories--some told for the first time. Who were those people on the beach? Where and what had they come from, and how had they survived? Why, after being liberated, did so many Jews still feel unsafe in Europe? How do we--and don't we--remember the Holocaust today? This remarkable, important book digs deep and travels far in search of answers.

Inside this inspiring little book, author and artist Sandy Gingras offers ways to find peace, hope, and healing at the beach. Each "walk" is a mini-essay about

## Read Book On The Beach

self-discovery, particularly a woman's self-discovery. Sandy muses about learning patience, leaving it all behind, taking risks and chances, recovering after storms, enduring and gaining strength, and loving and losing and loving again. Gingras finds inspiration in beachy moments and shows us that lessons are everywhere on her beach walks--in a split shell, in a dribble castle, in an upside-down horseshoe crab, in a green jetty, and in the freedom of wearing nothing but a bathing suit. Gingras's watercolors invite you to come along on her "walks." Even if you can't actually walk on the beach each day, *Walks on the Beach* gives you the sense that you have a little sand between your toes, a little beach in your heart, and a little beach philosophy in your everyday life.

"A page-turner with a deep heart."—Nancy Thayer, New York Times bestselling author of *Girls of Summer* How do you start a new chapter of your life when you haven't closed the book on the previous one? Eighteen months ago, Autumn Divac's husband went missing. Her desperate search has yielded no answers, and she can't imagine moving forward without him. But for the sake of their two teenage children, she has to try. Autumn takes her kids home for the summer to the charming beachside town where she was raised. She seeks comfort working alongside her mother and aunt at their bookshop, only to learn that her daughter is facing a huge life change and her mother has been hiding a terrible secret for years. And when she runs into the boy who stole her heart in high school, old feelings start to bubble up again. Is she free to love him, or should she hold out hope for her husband's return? She can only trust her heart...and hope it won't lead her astray. "A heart-tugging romance. Readers are sure to be sucked in."—Publishers Weekly, starred review Don't miss Brenda Novak's latest book, *When I Found You!*
