Free Will. Most of us are certain that we have free will, though what exactly this amounts to is much less certain.

# Read PDF On The Question Of Free Trade

According to David Hume, the question of the nature of free will is “the most contentious question of metaphysics.” If this is correct, then figuring out what free will is will be no small task indeed. Minimally, to say that an agent has free will is to say that the agent has the capacity to choose his or her course of action.
