Open Court Reading Second Grade

Over the years I have noticed my 2nd grade students struggling to master the second read reading skills in just one given week every couple of months. As a result, I determined that students CAN and WILL master the skills by allowing students more practice with one given skill at a time, for a longe.

open court reading unit 1 grade 2 leap into phonics

Open Court Reading is a reading program for grades K–6 published by McGraw-Hill Education that is designed to teach decoding, comprehension, inquiry, and writing in a three-part logical progression. Part One of each unit, Preparing to Read, focuses on phonemic awareness, sounds and letters, phonics, fluency, and word knowledge.

Student Anthologies include a variety of narrative and informative texts to help students understand concepts such as key ideas and details, writing as a craft, and the integration of background knowledge and ideas.

Depending upon the grade level, students practice the following skills: Alphabet Knowledge, Phonemic Awareness, Inquiry, Phonics, Comprehension, Spelling, Vocabulary, Writing, Grammar, Mechanics, and Usage. Each workbook has all the worksheets conveniently organized by lesson. These worksheets provide students the opportunity to practice and apply the skills they are learning.

The true story of Ellie, a formerly abandoned puppy, and her new owner who hike the 2,000 Appalachian Trail and ford rivers, scale rugged cliffs, and survive howling storms. It is a charming story of friendship and teamwork that teaches lessons about courage, determination, trust, and love.

Student's foundational skills are assessed both formally and informally. Formal assessments are given at the end of each lesson and unit and are indicated in the Teacher's Guide. Lesson and Unit Assessments measure student understanding of material that was recently taught. These assessments, found in the Assessment Book for each grade level, align with classroom instruction and focus on the literacy skills that are critical to reading success.

Each story supports instruction in new phonics elements and incorporates elements and high frequency words that have been previously taught.

Reinforce student learning with plenty of practice.
