its like arm twisting to

Acces PDF

Operations

Management
with Myomlab

having purchase myomlab, something that is absolutely unnecessary given the fact that the university already uses learning management system such as blackboard/moodle/ilearn etc. myomlab is not even like cengage or aplia, its archaic, so having students to pay for the cost of textbook and myomlab is just not

Acces PDF Operations

justified, especially when the students i teach are mostly full time working students, and first generation college attendees.
