Understanding Organizational Behavior represents the solid scholarly foundations on which the science of organizational behavior was built, the realities of contemporary life in organizations, and the challenges that constantly present themselves. Our overarching theme of change is accompanied by four supporting subthemes: globalization, diversity, technology, and ethics. Each theme presents its own challenges and presents demands on individuals to learn, grow, and adjust. This text presents the opportunity to learn concepts, ideas, and theories that help enhance the management of human behavior at work.

Understanding Organizational Behavior represents the solid scholarly foundations on which the science of organizational behavior was built, the realities of contemporary life in organizations, and the challenges that constantly present themselves. Make and review flashcards, review related content and track your progress with Concept Tracker--all in one place and at an affordable price!

Combining contemporary issues, a research and skills emphasis, and practical, real-world applications, this edition incorporates organizational change to highlight the evolving nature of managerial work and careers. It incorporates and emphasizes the rigor of research and the development of skills managers need using "Scientific Foundations" and "Challenge" boxes throughout the text. Six corporate examples are used to provide the context for organizational behavior and as extended examples throughout the text.
