on the daily letters he wrote to his family in 1944 and 1945. After ten months of stateside training, nineteen-year-old Joe Ted (Bud) Miller shipped out from New York harbor in November 1944 and served with the 63rd Infantry in France and Germany. Although he fought with his unit at the Colmar Pocket and earned a Bronze Star for his role in pushing through the Siegfried Line, his letters focus less on the details of battle than on the many aspects of his life in the military: food, PX, movies, biographies of friends and platoon-mates, training activities, travelogues, and the behavior (good and bad) of officers. Bud's journalistic skills show in his letters and fill his reports with a wealth of objective detail, as well as articulate reflections on his feelings about his experiences. Katherine I. Miller, a communication scholar, brings to her father's letters—which form the centerpiece

of the book—her scholarly training in analyzing issues such as the development of masculinity in historical context, the formation of adult identity, and the psychological effects of war. Further insights gained from additional personal and family archives, interviews with surviving family members, official paperwork, the unit history of the 63rd Infantry Division (254th Regiment), unit newspapers, pictorial histories, maps, and accounts by other unit members aided her in crafting this “interpretive biography.” The book also serves as a window onto more general questions of how individuals navigate complicated turning points thrown at them by external events and internal struggles as they move from youth to adulthood.

to conflict and conflict management that is firmly grounded in current theory, research, and practice, covering the whole range of conflict settings (interpersonal, group, and organizational). Encompassing a broad spectrum of theoretical perspectives, the text includes an abundance of real life case studies that illustrate key concepts and help students learn how to apply theory. The book's emphasis on application of concepts makes it highly accessible to students, while expanding their understanding of both conflict theory and practical skills. evolution of contemporary PR practices with an emphasis on social media, digital communication, creativity, and diversity. Understanding that innovation alone can't create success, Freberg shows students how to use, choose, and implement evidence-based practices to guide their strategic campaigns. The text will transform today's students into tomorrow's successful PR professionals by giving them the tools to think creatively, innovate effectively, and deploy research-backed tactics for successful campaigns.
