Shakespeare scholar Walter Cohen cites the popularity of Othello during times of great rebellion and upheaval; the play was most popular during the European wars of the mid-19th century, the fall of Czarist Russia, and also during World War II in America. These productions tended to emphasize the nobility and love of Othello and Desdemona, and made their fall seem more tragic and ill-deserved.

Othello Study Guide | GradeSaver

is a play about jealousy and love. All of the information you need about the play is divided into four sections: Story, Characters, Language and Staging. Each section has three different levels of information. Choose which level is right for you or simply move between them to find what you need.
