Raymond Murphy's English Grammar in Use is the first choice for intermediate (B1-B2) learners and covers all the grammar you will need at this level. This book without answers has clear explanations and practice exercises that have helped millions of people around the world improve their English. It is perfect for teachers to use in the classroom as a supplementary book, for extension work, or for homework activities.

This new edition has been updated and revised to accompany the Fifth edition of English Grammar in Use, the first choice for intermediate (B1-B2) learners. This book contains 200 varied exercises to provide learners with extra practice of the grammar they have studied.

Advanced Grammar in Use Second edition is a fully updated version of the highly successful grammar title. This new revised edition focuses specifically on the complexities of grammatical choices that advanced students need to appreciate. It also includes a comprehensive Basic Grammar Reference so students can easily review their understanding of language areas they have previously studied. The book is available both with and without answers making it ideal for use in the classroom or for self-study. The 'with answers' version of the book is also available with a comprehensive CD-ROM for extra practice of all the grammar covered in the main book.
