to familiarise yourself with your vehicle. Besides the regular care and maintenance of the vehicle, its correct handling will help preserve its value. For safety reasons, note the information concerning accessories, modifications and part replacements.

MGF and TF Restoration Manual provides the MGF or TF owner with a complete workshop guide to mechanical and body restoration for the cars. With the MGF in production between 1995 and 2001, and the MG TF until 2011, many of the cars have survived in a structurally and mechanically sound state, without the huge costs and complications of needing a complete body restoration that is so often the case with pre-1980 MGs. Topics covered include: Model overview and parts supply; Workshop safety information; Bodywork [external and subframes]; Trim [including hood problems and replacement]; All mechanical components [including head gasket replacement]; Electrical systems [including security systems]; Modification [cosmetic, mechanical and engine]. An essential and practical workshop guide for all owners of these attractive sports cars. Gives instructions on minor repair and maintenance procedures and covers a full engine strip and rebuild. Covers workshop safety information, bodywork, trim, all mechanical components and much, much more. Features a number of different project cars. Superbly illustrated with approximately 1000 colour step-by-step photographs. Roger Parker is an acknowledged MGF and TS expert with years of restoration experience.

The TLA Film, Video & DVD Guide 2002-2003 is the absolutely indispensable guide for the true lover of cinema. By focusing on independent and international films, and avoiding much of the made-for-TV/made-for-cable/made-for-video dreck, this guide offers more comprehensive coverage of the films the reader may actually want to rent and see. The guide includes: * Reviews of more than 10,000 films * Four detailed indexes - by star, director, theme, genre, and country of origin * More than 450 photos throughout * A listing of all the major film awards, TLA Bests and recommended films * A comprehensive selection of cinema from over 50 countries From one of the finest names in video retailing and a growing rental chain comes the latest edition of one of the most respected film, video, and DVD guides. The TLA Film, Video & DVD Guide is perfect for anyone whose tastes range from All About My Mother to Fight Club; from This Is Spinal Tap to Ma Vie en Rose.

Integrating important elements of color theory, practice, and application, this comprehensive designer's reference explores a broad spectrum of issues in graphic design in both print and digital media, covering such topics as historical color systems, color in art, the psychology of color, color and interior design, digital rendering, and more, all enhanced with more than one thousand color images. Original. 15,000 first printing.

The Rough Guide to Ecuador is your ultimate handbook to this fascinating and dramatically diverse country with complete coverage of the Galapagos islands. A full-color introduction gives an insight into the country's many highlights from snorkeling in the Galapagos to exploring Quito's colonial churches.
