In this revised and expanded edition, Los Angeles Times writer Mark Heisler investigates the 45-year history of the Los Angeles Lakers and unveils a pattern of pampered and/or misguided players, megalomaniacal executives, and owners whose obsessive drives for championships and attention combined to create an atmosphere of conflict for decades. Throughout the entire 2003-04 season, fans and the media called the L.A. Lakers the biggest reality show in the country. But the laundry list of conflicts—the ongoing Kobe-Shaq bickering, Kobe's sexual assault trial, Phil Jackson's final season, Gary Payton's refusal to admit his physical decline, and the loss to Detroit in the championship—was just another year in the history of the Lakers. *Madmen's Ball* goes back to the Lakers' unceremonious arrival in Los Angeles in 1960 to show that the franchise has been embroiled in controversy, in-house battles and personality clashes for generations.

Examines the life and basketball career of the Los Angeles Lakers "big man" who led his team to two consecutive NBA championships in 2000 and 2001.

A provocative assessment of legendary UCLA coach John Wooden by the best-selling author of *When March Went Mad* draws on hundreds of interviews from all periods of his career to offer insight into his driving ambition, divided relationships and hard-won lessons. 60,000 first printing.

Pete Newell is considered one of the finest basketball minds in the sport's history. His death in 2008 spawned tributes from around the country, including legendary UCLA coach John Wooden and Bob Knight, who considered Newell his mentor. Newell, Knight, and Dean Smith are the only men to coach championships at the Olympics, the National Collegiate Athletic Association, and the National Invitational Tournament (NIT), and of the three, only Newell won the NIT at a time when it was considered the nation's most prestigious tournament. He had a fiercely competitive rivalry with Wooden and won his last eight meetings against Wooden's UCLA teams before retiring in 1960. Although he retired for health reasons, he continued to teach the game, notably at the famed Big Man's Camp, for the rest of his life. Based on hundreds of interviews of veterans of the game, *A Good Man* is Bruce Jenkins's complete biography of Pete Newell.
