- Iceberg Slim, Pimp: The Story of My Life Iceberg Slim dances on that thread between unapologetic and remorseful. He loves and hates his mama. He loves and hates the game. This isn't a book you read because you want eroticism.

"[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I've ever heard in my life." —Dave Chappelle, from his Netflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim’s autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago’s street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, “In this book, I will take you, the reader, with me into the secret inner world of the pimp.” An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler’s tale that never seems to go out of style.

In this astonishing account, Iceberg Slim reveals the secret inner world of the pimp, and the smells, sounds, fears and petty triumphs of his world. A legendary figure of the Chicago underworld, this is his story: from defending his mother against the men in their lives to becoming a giant of the streets. A seething tale of brutality, cunning and greed, Pimp is a harrowing portrait of life on the wrong side of the tracks, and a rich warning from a true survivor.

New edition of the perennial cult classic with a specially commissioned introduction by Irvine Welsh

The first and definitive biography of one of America’s bestselling, notorious, and influential writers of the twentieth century: Iceberg Slim, né Robert Beck, author of the multimillion-copy memoir Pimp and such equally popular novels as Trick Baby and Mama Black Widow. From a career as a, yes, ruthless pimp in the '40s and '50s, Iceberg Slim refashioned himself as the first and still the greatest of "street lit" masters, whose vivid books have made him an icon to such rappers as Ice-T, Jay-Z, and Snoop Dogg and a presiding spirit of "blaxploitation" culture. You can’t understand contemporary black (and even American) culture without reckoning with Iceberg Slim and his many acolytes and imitators. Literature professor Justin Gifford has been researching the life and work of Robert Beck for a decade, culminating in Street Poison, a colorful and compassionate biography of one of the most complicated figures in twentieth-century literature. Drawing on a wealth of archival material—including FBI files, prison records, and interviews with Beck, his wife, and his daughters—Gifford explores the sexual trauma and racial violence Beck endured that led to his reinvention as Iceberg Slim, one of America’s most infamous pimps of the 1940s and '50s. From pimping to penning his profoundly influential confessional autobiography, Pimp, to his involvement in radical politics, Gifford’s biography illuminates the life and works of one of American literature’s most unique renegades.

The author that brought black literature to the streets is back. Weaving stories of deceit, sex, humor and race Iceberg Slim, best-selling author of Pimp, brings us the story of a hustler who doesn’t just play the con game, he transforms it. This is the gritty truth, the life of a hustler in south side Chicago where the only characters are those who con and those who get conned. Trick Baby tells the story of “White Folks,” a blue-eyed, light-haired, con-artist whose pale skin allows him to pass in the streets as a white man. Folks is tormented early in life, rejected by other children and branded a “Trick Baby,” the child conceived between a hooker and her trick. Refusing to abandon his life in the ghetto and a chance at revenge, Folks is taken under the wing of an older mentor, Blue. What happens next is not to be believed. Only Slim could bring us the story of a hustler, forced to learn the game and rise to the top. It’s Slim’s story and he tells it in the only way he knows how, in the language of the streets.

Tells the story of Otis Tilson, a transvestite living a life of pimping and tricking amid the violence and crime of the homosexual underground.

Straight from the source: Iceberg Slim gives unprecedented insight into his incredible life and mind in this second collection of rare, explicit, interviews. Iceberg Slim is infamous as a pimp. But he was many things: Victim of childhood abuse, racism and the Great Depression; drug addict; hustler; prison escapee; multi-million book selling author; one of the first rap record artists; orator; pre-eminent writer; father; husband; advocate of socially constructive life. The interviews (big topics from applying the game in square relationships, to the con game, sex, drugs, education, writing, racial issues, fatherhood, politics, crime and punishment) are complimented by: Camille Beck’s tragic story, told by her sister Misty; FBI records, mug shots, historical records; the true story of Baby Bell and Sweet Jones; and the true story of Henry and Iceberg’s mother. Revealing insights with those who knew Iceberg Slim are included: Mike Tyson; Camille and Misty Beck; Diane Beck; Betty Beck’s story from the day she met Iceberg; Bentley Morriss (CEO, Holloway House Publishing). Plus Ice-T, Bishop Don Magic Juan and others provide relevant commentary on Iceberg’s life, work and great legacy.

Iceberg Slim is the name Robert Beck used in the ghetto. He was a pimp and this is his story, told without bitterness and with no pretence at moralizing - the smells, the sounds, the fears, the petty triumphs in the world of the pimp.

Teenagers Sandra and Chink fall in love after they start selling drugs in inner-city Los Angeles, but when he goes to jail and Sandra is later raped, Chink escapes to seek revenge against the men responsible.

In this newly discovered work by the late Iceberg Slim, the man who essentially birthed street lit, an LAPD vice detective intent on sweeping away street prostitution and police corruption finds himself up against Shetani (Swahili for Satan), a leading pimp who uses violence and heroin to control his prostitutes.
