Point of Retreat: A Novel - Colleen Hoover - Google Books

"Point of Retreat" is told from Will's point of view and elegantly done might I add. After everything that Will and Lake have been through, you would think the universe would back off a little; let them fall in love and have a few years of happiness or "sweet" as the character might call it. But that is not the case in this sequel.

I love that there are new adult books that exist where slam poetry is a pivot point around which the book kind of turns. Or at least, where poetry plays a role. Slammed is the first of Colleen Hoover's series that integrates slam poetry. The sequel, Point Of Retreat, also uses some slam poetry, however, it []

Point of Retreat Written by Colleen Hoover From the bestselling author of Slammed, comes Colleen Hoover's next big hit. Layken and Will have managed to overcome the obstacles that threatened to destroy their love, proving that they are destined for one another.

Layken and Will's relationship has endured through hardships, heartache, and a cruel twist of fate, further solidifying the fact that they belong together. But the two lovers could not have expected that the things that brought them together may ultimately be the things that tear them apart. Their connection is on the brink of being destroyed forever and it will take an extraordinary amount of willpower to keep their love afloat.

From #1 New York Times bestselling author of It Ends With Us, Colleen Hoover's romantic, emotion-packed debut novel unforgettably captures all the magic and confusion of first love, as two young people forge an unlikely bond before discovering that fate has other plans for them. Following the unexpected death of her father, eighteen-year-old Layken becomes the rock for both her mother and younger brother. She appears resilient and tenacious, but inside, she's losing hope. Then she meets her new neighbor Will, a handsome twenty-one-year-old whose mere presence leaves her flustered and whose passion for poetry slams thrills her. Not long after a heart-stopping first date during which each recognizes something profound and familiar in the other, they are slammed to the core when a shocking discovery brings their new relationship to a sudden halt. Daily interactions become impossibly painful as they struggle to find a balance between the feelings that pull them together and the forces that tear them apart. Only through the poetry they share are they able to speak the truth that is in their hearts and imagine a future where love is cause for celebration, not regret.

From the New York Times bestselling author of It Ends With Us, Colleen Hoover's bestselling Slammed series comes to its gripping conclusion. There are two sides to every love story. Now hear Will's. Layken and Will's love has managed to withstand the toughest of circumstances, and the young lovers, now married, are beginning to feel safe and secure in their union. As much as Layken relishes their new life together, she finds herself wanting to know everything there is to know about her husband, even though Will makes it clear he prefers to keep the painful memories of the past where they belong. Still, he can't resist his wife's pleas, and so he begins to untangle his side of the story, revealing for the first time his most intimate feelings and thoughts, retelling both the good and bad moments, and sharing a few shocking confessions of his own from the time when they first met. In This Girl, Will tells the story of their complicated relationship from his point of view. Their future rests on how well they deal with the past in this final installment of the beloved Slammed series.

"In Hopeless, Sky left no secret unearthed, no feeling unshared and no memory forgotten, but Holder's past remains a mystery. He is haunted by the little girl he let walk away from him and he has spent his entire life searching for her. He had hoped that he would finally gain closure and be able to rid himself of his guilt the moment they were reconnected. But he could not have anticipated that the exact opposite would occur and even more guilt and regret would be thrust upon him. Sometimes in life, if we wish to move forward we must first dig deep into our past and make amends with it. In Losing Hope, readers will learn what was going on inside Holder's head during all those moments that left him feeling hopeless and see whether he can perhaps gain the peace he desperately needs"--

From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Where To Download Point Of Retreat A Novel Slammed Crah

Novella that brings back characters from "Finding Cinderella" and "All your perfects"

Featuring a previously published author introduction, a personal foreword by his son and a new introduction by his grandson, a definitive edition of the lauded World War I classic collects all 39 of the Nobel Prize-winning author's alternate endings to offer new insights into his creative process. Reprint.

Sherri Smith illuminates the dark side of the self-care and wellness industry in a thrilling ride of revenge perfect for fans of Liane Moriarty's *Nine Perfect Strangers*. *The Retreat* is a twisting, bone-chilling suspense that asks: how well do you really know your friends? Four women. Four secrets. A weekend that will change them forever...if they survive. Katie Manning was a beloved child star until her mid-teens when her manager attacked and permanently scarred her face, effectively ending her career and sending her on a path of all-too-familiar post-Hollywood self-destruction. Now twenty-seven, Katie wants a better answer to those clickbait "Where Are They Now?" articles that float around online. An answer she hopes to find when her brother's too-good-to-be-true fiancée invites her to a wellness retreat upstate. Together with Katie's two best friends—one struggling with crippling debt and family obligations, one running away from a failed job and relationship—Katie will try to find the inner peace promised at the tranquil retreat. But finding oneself just might dredge up more memories than Katie is prepared to deal with. Each woman has come to the retreat for different reasons. Each has her secrets to hide. And at the end of this weekend, only one will be left standing.

A NEW YORK TIMES BESTSELLER! AS HEARD ON NPR MORNING EDITION AND ON BEING WITH KRISTA TIPPETT "Katherine May opens up exactly what I and so many need to hear but haven't known how to name." "Krista Tippett, *On Being* "Every bit as beautiful and healing as the season itself. . . . This is truly a beautiful book." "Elizabeth Gilbert "Proves that there is grace in letting go, stepping back and giving yourself time to repair in the dark...May is a clear-eyed observer and her language is steady, honest and accurate—capturing the sense, the beauty and the latent power of our resting landscapes." "Wall Street Journal An intimate, revelatory book exploring the ways we can care for and repair ourselves when life knocks us down. Sometimes you slip through the cracks: unforeseen circumstances like an abrupt illness, the death of a loved one, a break up, or a job loss can derail a life. These periods of dislocation can be lonely and unexpected. For May, her husband fell ill, her son stopped attending school, and her own medical issues led her to leave a demanding job. *Wintering* explores how she not only endured this painful time, but embraced the singular opportunities it offered. A moving personal narrative shot through with lessons from literature, mythology, and the natural world, May's story offers instruction on the transformative power of rest and retreat. Illumination emerges from many sources: solstice celebrations and dormice hibernation, C.S. Lewis and Sylvia Plath, swimming in icy waters and sailing arctic seas. Ultimately *Wintering* invites us to change how we relate to our own fallow times. May models an active acceptance of sadness and finds nourishment in deep retreat, joy in the hushed beauty of winter, and encouragement in understanding life as cyclical, not linear. A secular mystic, May forms a guiding philosophy for transforming the hardships that arise before the ushering in of a new season.

From the #1 New York Times bestselling author of *It Ends With Us* comes the beginning of Sky and Dean's passionate love story — where well-kept secrets threaten to open wounds of a dark past. Would you rather know a truth that makes you feel hopeless, or keep believing the lies? Beloved and bestselling author Colleen Hoover returns with the spellbinding story of two young people with devastating pasts who embark on a passionate, intriguing journey to discover the lessons of life, love, trust — and above all, the healing power that only truth can bring. Sky, a senior in high school, meets Dean Holder, a guy with a promiscuous reputation that rivals her own. From their very first encounter, he terrifies and captivates her. Something about him sparks memories of her deeply troubled past, a time she's tried so hard to bury. Though Sky is determined to stay far away from him, his unwavering pursuit and enigmatic smile break down her defenses and the intensity of the bond between them grows. But the mysterious Holder has been keeping secrets of his own, and once they are revealed, Sky is changed forever and her ability to trust may be a casualty of the truth. Only by courageously facing the stark revelations can Sky and Holder hope to heal their emotional scars and find a way to live and love without boundaries. *Hopeless* is a novel that will leave you breathless, entranced, and remembering your own first love.
